

Cruise Ships and Ferries

This is a list of effective Eco-Products with a brief explanation of use. We can email you a product sheet of any of the products you are interested in along with their costs. This is an interim step while our entire Eco-product range is being listed on our website.

The products are categorized by areas of use.

Hand and skin care

Acclaim

Solvent free hand cleaner. High cleaning performance recommended for removing light hand soiling. Does not contain abrasive agents or solvents.

Cherry Bomb

Powerful industrial hand cleaner easily removes even the most stubborn grime: grease, tar, asphalt, ink, paint, glue etc.

Glove

Protective skin cream Glove leaves an impenetrable protective film that protects skin against dirt, grease, dye, oil, etc.

Hand Over Fist

Non-tainting, odourless hand cleaner removes stubborn oil, grease, inks, dyes, wax and other forms of dirt from the hands. Hand Over Fist's new biological action protects the skin from germs and infections.

HandStand Antimicrobial Lotion Soap

A clear, amber antimicrobial liquid hand soap for use in the Zep Handstand Dispenser System.

HandStand Instant Hand Sanitizer

Alcohol-based hand sanitizer formulated to be used without water or towels as a supplement to regular hand washing. Eliminates over 99.5% of many cross-contaminating micro-organisms. For use in Zep Handstand Dispenser.

HandStand Lotion Hand Soap

A full bodied, mild, pink, lotionised, liquid hand soap with a herbal fragrance. Cleans, softens and moisturizes hands. For use in Zep Handstand Dispenser.

HandStand Shower Soap

A body soap and hair shampoo with a zesty herbal scent. Especially created for use in Zep Handstand Dispenser System.

Handy Swipes and Handy H.D. Swipes

Handy Swipes immediately loosen all types of dirt including grease, oil, tar, inks, dyes, paints and glues. Also manufactured in a heavy duty (H.D.) formulation to remove very heavy soiling.

Handy Wet Wipes

Handy Wet Wipes provide an easy and convenient way of cleaning hands and hard surfaces. Handy Wet Wipes contain their own highly effective germicide to protect against infection by micro-organisms.

Kremtect

Kremtect has a 'Liquid Glove' formulation which protects the hands under the most demanding situations to prevent skin irritation. Kremtect forms a protective greaseless film which protects against grease, oils, solvents, detergents, paints resins, inks, tar and other soiling.

Tko

Heavy-duty, liquid hand cleaner that cleans without the use of solvents. Tko contains poly beads, detergents, emulsifiers and emollients.

Whispex

Hand cleaner and moisturiser. Whispex contains its own effective bacteriostat to protect the skin after washing.

Kitchen

Alisolv

Aerosol degreaser for the food industry. Degreases stainless steel and light alloy surfaces, which may come into contact with foodstuffs.

Alsil

Silicone lubricant for use in the food industry. Lubricates connections, joints, slide-bars on machining tools, locks, and rubber on walk-in refrigerator doors. Prevents grime, dust, water and more from adhering to any type of surface.

Aqua Sorja

Soya-based multi-purpose degreasing cleaner ideal for floors and other hard surfaces.

Amphoclens

A powerful alkaline cleaner containing a strong amphoteric bactericide.

Bactivect

Advanced virucidal disinfectant cleaner for the sanitation of surfaces in high risk environments. Bactivect is effective against a wide range of micro-organisms, including bacteria, spore-forming bacteria and viruses.

Bioclene

A ready to use spray cleaner containing an amphoteric bactericide.

Bioclene Wet Wipes

Bioclene wet wipes dissolve dirt, stains, grease and scum immediately on contact.

Bioclene Swipes

To clean and sanitize all hard surfaces.

Carbonex 250

Alkaline cleaner formulated to remove baked on carbon, grease and other food deposits from ovens, baking equipment, utensils and food processing machinery.

Canazim Forte

Biological treatment of greasy waste and grease traps. Canazim Forte contains enzymes and bacteria that rapidly eliminate organic-based waste and grease.

De-Scale 10

De-Scale 10 is used to de-scale boilers, kettles and urns.

Halo 30

Modern lamp that attracts flies. Has a glueboard. Can be mounted on walls and ceiling.

Gentle

A hand dish cleaner with water softener.

Lubrinox

Cleans & polishes stainless steel used in the food industry. Restores the lustre of the treated item: canteens, ovens, stainless steel sinks, food production lines, etc.

MDB

Concentrated chlorinated dishwasher detergent. Unique formulation does not damage glazed porcelain. Can be used in all types of dishwashers and dispensers.

Natura Gel

Natura Gel is designed specially for biological treatment of pipes. Effective against organic residue derived from proteins, sugars, fats, oils, starch and cellulose. The new gel formation allows for a greater contact time between the residue and the active ingredients in the product making it even more effective.

Natura Cuisine

Effective degreaser for floors for use in kitchens. Initially acts by removing the fat from the floor and specific micro-organisms then produce enzymes that break down the fat molecules and reduce it to simple CO₂ and H₂O.

Naturalle

Biological cleaner and degreaser for the removal of organic fats (vegetables, animal, sugars, proteins etc.) from all types of hard surfaces. Contains active fermentative extracts: instant biological cleaning and high degreasing action; ensures deep cleaning (porous and uneven surfaces)

Netosol

High absorbency granules rapidly absorb all liquids including oils, acids, alkalis, solvents, lubricants, chemicals, grease, blood and water.

Oven Brite

Clinging liquid stove and oven cleaner. Formulated to penetrate, loosen and liquefy baked-on food soils, carbon deposits, grease and grime from ovens, hoods, griddles, racks, burners, rotisseries and drip pans.

Polynet A

Highly powerful degreaser, safe for the food industry. Cleans bare metals, painted surfaces, marble, terrazzo, quarry tiles, thermoplastic tiles, concrete, wood, plastic, canvas and many other surfaces.

Rise N Shine

Dishwasher rinse aid provides a shiny, spotless finish.

Floor Inovosol

Non foaming floor cleaner contains ingredients of natural origin. Formulated for use in all types of facilities; schools, churches, hospitals, nursing homes restaurants and hotels.

Degreaser Superkleen

All purpose degreaser for most hard surfaces. Not suitable for glass cleaning.

Sanitary Spray Lubricant

Food processing equipment lubricant. This product has excellent lubricating properties for all types of mechanisms. Ingredients are odourless, tasteless and colourless.

Soak-Up Granules

Spill absorbent granules

Toilets, changing rooms and showers

Aquabact

For the treatment of water-cooling systems, air conditioning systems, dust extraction systems and water storage systems. Effective against photogenic micro-organisms including *Pseudomonas* spp. , *Legionella pneumophila* and *Klebsiella pneumoniae*.

Bio Flush PB

Cleans urinals, eliminates unpleasant odour and maintains drains. Contains bacteria and active cleaning agents, which absorb all organic substances found in the urinals and sewage drains and removes odour.

Bioscale

Biological product removes insoluble scale in toilets, urinals and pipe work. Dual effect: dissolves mineral (lime) and organic (uric acid) scale due to bonding of organic acids, bacteria and enzymes.

BlockBreaker

The concentrated formula has been specially developed for professional use. BlockBreaker tackles the really tough blockages that occur in heavy use plumbing systems.

De-Scale 10

De-Scale 10 is used to de-scale boilers, kettles and urns. De-Scale 10 is for use in water lines, boilers, radiators, cooling systems and other industrial equipment.

Ecozyme

An advanced natural enzyme cleaner that speeds up the natural decomposition of organic waste and is used to treat blocked drains.

Liquid Plus

Deodorizing absorbent for liquids. Extremely effective absorbent, which can absorb 100-120 times its volume according to the type of liquid. Quickly absorbs fluids on a water base (drinks, juices, foods etc) fluids of a body origin such as blood, urine and vomit. After absorbing a liquid it is easily removed without leaving any residue.

Natura Splash

A biological detergent for bathrooms, floors, walls, sinks, taps, bathroom units and urinals. Contains cleaning agents generated from specific micro-organisms that target the molecules of human urine, faeces, blood, bodily fluids and toilet paper as food sources. It removes potentially harmful bacteria, acts for over 80 hours after application. Has a pleasant perfume smell and can be used as a spray for rapid urinal cleaning.

PH Minus NC

Acid additive for swimming pool water is a specific acidic preparation for the reduction of swimming pool pH.

Powerdis

Highly concentrated pine oil disinfectant - six times stronger than other disinfectants. Powerdis rapidly kills the following disease-causing bacteria even in the presence of heavy soiling:

- Staphylococcus Aureus (Blood poisoning)
- Streptococcus Pyogenes (Throat Infections)
- Salmonella Typhosa (Typhoid)
- Proteus Vulgaris (Intestinal Infections)
- Escherichia Coli (Diarrhoea)
- Pseudomonas Aeruginosa (Septic wounds)
- Shigella Sonnei (Dysentry)

Siltexol

Cleans out mud, silt, clay, sewage and other blockages in storm and foul drains. Harmless to joints.

Showerclene

All in one shower and washroom cleaner. Reformulated to give extra cleaning performance and freshness. Showerclene removes body fats, soaps, scale, algae, rust, copper stains and other contaminants from tiles, showers and all washroom surfaces.

Soak-Up Granules

Spill absorbent granules

Sanwipes

Sanwipes can be used as a sanitizing wipe or as a surface cleaning wipe. Sanwipes eliminate 99.5% of cross contaminating micro-organisms and protect against re-infection.

Super Mist

Can be mounted on any wall to protect your environment against unpleasant odours.

Super Royal Flush

Urinal screen and block with a pleasant fragrance. Neutralises malodours associated with washrooms.

Floor Care

Aqua Sorja

Soya-based multi-purpose degreasing cleaner is suitable for all floor surfaces.

Assist

Spray-on carpet and upholstery shampoo quickly removes urine stains, blood stains, food and beverage stains, cosmetics, crayons, oil, pet stains, dirt and many other soils. For use on wool, nylon, acrylic and other synthetic carpets.

Chemseal

Chemseal seals in one simple operation. Floor maintenance is greatly reduced by the protection of surfaces against wear and stains from all manner of agents.

Dersol

Powerful stripper removes build-up of emulsion floor polishes. Quickly penetrates old layers of wax, lubricant, soap residue, food and ink stains on all types of flooring.

Ecotect

2-Part Epoxy Floor Sealer and Hardener. Protects brick, composition floors, concrete, metal, plaster, quarry tiles, stone, terrazzo and wood. Prevents dusting.

Ecoline Aerosol

Quick drying line paint. Manufactured in white and yellow. Water based and can be used on any surface including Tarmacadam.

Fabric Refresher

Dry spray fabric deodoriser. Eliminates tough odours without messy residue. Use on carpeting, upholstery and other sources of malodours in or on fabrics.

Powaclene

A water based hard surface cleaner. Powaclene is an ideal floor cleaner for concrete, paint, tiled and vinyl floors.

Soak-Up Granules

Spill absorbent granules.

Vita Gardenia

Perfume floor cleaner for everyday maintenance of floors, tiles, marble, limestone, plastic surfaces and all types of water-resistant floors. Dissolves quickly in water and then cuts into dirt immediately on contact. Contains no abrasives or caustic and will not "rough up" surfaces.

Grounds

Aqua Sorja

Soya-based multi-purpose degreasing cleaner.

Ecoline Aerosol

Quick drying line paint. Manufactured in white and yellow. Water based and can be used on any surface including Tarmacadam

Emulrout

Bituminous mixtures for direct application giving an instant repair of hollows and potholes in roads, parking areas, pedestrian ways, courtyards, school yards.

Ecotect

2-Prt Epoxy Floor Sealer and Hardener. Protects brick, composition floors, concrete, metal, plaster, quarry tiles, stone, terrazzo and wood. Prevents dusting.

Ecozyme

An advanced natural enzyme cleaner that speeds up the natural decomposition of organic waste and is used to treat blocked drains.

Evirosol

Dissolves heavy mineral oils, tar, bitumen, vegetable oils, grease, traffic film and many other forms of dirt and soil.

Freit

Quickly penetrates removing rust and corrosion but also grease, oils, fats and other forms of dirt.

Liftcon

Liftcon quickly and completely removes concrete, cement, rust, scale, algae, and many other types of corrosion from many different surfaces.

Hydrobat 200

Waterproofing masonry treatment protecting walls against moisture penetration prevents plaster from flaking. Walls are less moist, improving insulation and reducing heat loss.

Protect

Protect leaves a flexible anti-rust coating, giving outdoor protection to up to 18 months. The protective film drives into crevices and pockets, which tend to retain moisture.

Symosol

Synthetic resin mortar for repairs of horizontal surfaces, holes, crumbled areas, cracks, broken pieces on objects made of concrete, cement or derivatives.

Graffex

Highly concentrated gel specially formulated to remove most difficult and stubborn graffiti from all surfaces.

Graffex Swipes

High performance graffiti removing wipes for sensitive surfaces.

Malgicide

Malgicide is a bactericide, germicide, fungicide, algacide and disinfectant.

Malkyl

An extremely strong sanitizer with an R.W. equivalent of 75. Malkyl will kill common bacteria as well as mold and fungi.

Pyrakill

Broad spectrum, low toxicity insecticide. Kills fleas, flies and many other insects.

Natura Sol

Bio Cleaner especially suitable for the cleaning hydrocarbon stains from floor and car parks.

Siltexol

Cleans out mud, silt, clay, sewage and other blockages in storm and foul drains. Harmless to joints.

Soak-Up Granules

Spill absorbent granules absorb all liquid spillages including oils, acids, alkalis, solvents, lubricants, chemicals, grease, blood and water.

Supasol Hydro

Supasol is a blend of powerful chemicals. It quickly penetrates and dissolves heavy mineral oils, tar, bitumen, adhesives, resins, inks, vegetable oils, greases, traffic film and other dirt and soiling.

General Cleaning

Bri-Sol

Cleans and polishes at the same time. Bio-Sol quickly removes dirt, grease, oil, finger marks, dust, smears and stains and polishes the surface at the same time.

Brilarquent

Instant cleaner for silverware cleans and deoxidizes in one simple operation.

Blues & Greys

Blues & Greys immediately penetrates and emulsifies resins, inks (including solvent based inks), dyes, graffiti, oil, grease and other soiling.

Gleam Swipes

Cleans all glass, mirrors and other hard surfaces. Smear free anti-static finish. Gleam Swipes remove grease, oil, road film, insects, finger marks, felt tip pen, and other forms of dirt.

Radiant 7-11

Cleans, polishes, protects and returns original shine and colour in one easy step. Removes bits of food, ink spots, rust, and lime scale, grease and acid build-up from tiles. Use on surfaces made from aluminium, stainless steel, chrome, enamel, ceramic, porcelain, glass and plastic.

Supasol

Supasol is a blend of powerful chemicals. It quickly penetrates and dissolves heavy mineral oils, tar, bitumen, adhesives, resins, inks, vegetable oils, greases, traffic film and other dirt and soiling.

Super Klean

For cleaning and degreasing all waterproof surfaces, even if heavily soiled with special corrosion inhibitors for aluminum surfaces.

Graffex

Highly concentrated gel specially formulated to remove most difficult and stubborn graffiti from all surfaces.

Graffex Swipes

High performance graffiti removing wipes for sensitive surfaces.

Zepvue RTU

Ready to use, heavy-duty glass cleaner quickly cuts surface film, grease, finger marks, bugs, lipstick marks, bathroom spatter and airborne soils from windows, windshields, mirrors and showcases.

Winter Protection

D-ICE Liquid

D-ICE rapidly penetrates and melts frost, snow and ice to leave a residue free surface. D-ICE is also recommended as a preventive against frost, ice and snow formation by applying it immediately at the onset of extremely cold conditions.

DE-ICER

Quick melting , non-smearing aerosol de-icer which contains its own rust inhibitor. Does not contain methanol or water, which means faster de-icing action and prevents re-freezing.

Kleen-Screen

Kleen-Screen removes road film, insects and other dirt to leave a smear-free finish. Kleen-Screen has no harmful effects on paintwork or rubber and prevents freezing down to temperatures of approx -20 c.

Supathaw

Supathaw releases energy in the form of heat and works immediately on contact with frozen surfaces. Supathaw is non-toxic, non-tainting and non-corrosive. Supathaw contains a special anti-slip additive and will not 'carry' into buildings. Supathaw is a better alternative to rock salt for doorway entrances and paths.

D-ICE Granular

D-ICE Granular rapidly penetrates and melts ice, frost and snow. Easy to use - just spread over frozen surface and allow to thaw. Non-corrosive to aluminum, steel and concrete structures.
